PROFILE

Currently a Computer programming student at Seneca college. Trying to learn all to broaden my knowledge on the subject. Have done a few side projects with different programming languages. Although I have no programming job experience I have a lot of work experience and I think this qualifies my to work on a team environment.

SKILLS

- Web Design
- Design Thinking
- Analytical and Logical Thinking
- Front End and Back End Coding
- Problem-Solving
- Computer Literacy
- Project Management Tools
- Strong Communication

PREVIOUS WORK EXPERIENCE

SHIPPING SUPERVISOR

Nella Cutlery
